

Full-Time Airport Security Screener

Category

Security - Screener

Location

US-NM-Roswell

Overview:

Perform a variety of duties related to providing frontline security and protection of air travelers, airports and aircraft.

NOTE: This is a non-critical sensitive National Security position that requires fingerprints, photographs, and completion of the appropriate paperwork. The background investigation and credit check are also required. If your credit check reveals that you have defaulted on \$5,000 or more in bad debt (e.g., accounts in collection, repossession, or foreclosure; excluding certain circumstances of bankruptcy), owe any delinquent Federal or State taxes, or owe any past due child support payments, you will not be eligible for this position. (The term "bad debt" does not include normal credit card debt or loans unless they are defaulted for a period of 180 days or more.)

Responsibilities:

Airport Security Screeners will perform a variety of duties related to providing security and protection of air travelers, airports and aircraft. You will be responsible for identifying dangerous objects in baggage, cargo and/or on passengers; and preventing those objects from being transported onto aircraft. You are required to perform various tasks such as wand, pat down searches, operation of x-ray machines, lifting of baggage (up to 70 pounds), and screening and ticket review using electronic and imaging equipment. As an Airport Security Screener, you will perform passenger and baggage screening. You are expected to perform these duties in a courteous and professional manner.

- Continuously and effectively interact with the public, giving directions and responding to inquiries in a reasonable tone and manner.
- Maintain focus and awareness within an environment containing numerous distractions, people, and noise.
- Stand and remain standing for periods up to 3 hours without sitting.
- Lift and/or assist another individual to lift (from the ground) an object weighing 70 pounds.
- Work within a stressful environment, which includes noise from alarms, machinery, and people, distractions, time pressure, disruptive and angry passengers, and the requirement to identify and locate potentially life-threatening devices and devices intended on creating massive destruction.
- Make effective decisions in both crisis and routine situations.

Work Schedule:

Must be able to work various shifts, irregular hours, nights and weekend shifts, changing shifts, holidays, extended shifts, and split shifts. Specific work schedules will be determined by the airport operational needs.
